

We have finally received the details from Government in relation to the most recently announced one-off grants.

The Tier 4 Localised Restrictions Support Grant is for businesses who have been forced to close on Thursday, 31 December 2020. This is primarily non-essential retail, hospitality and accommodation providers. Information around closures can be found here:

<https://www.gov.uk/government/publications/further-businesses-and-premises-to-close/closing-certain-businesses-and-venues-in-england>

If your business has already received a grant for the November lockdown, you do not need to complete any further paperwork and payments will be made automatically based on the information you have already provided.

If you have not received the November grant, but think you are eligible, then you will need to complete the form, which, if successful, will trigger all the relevant payments.

Please note the eligibility criteria before applying. All the forms are on the Council's website: <http://www.rochdale.gov.uk/business-and-industry/business-advice-and-support/Pages/business-grants-and-loans.aspx>
