

On Friday, the government announced some further easing of business related lockdown measures.

Casinos, skating rinks, bowling alleys, exhibition halls, conference centres, and indoor play areas (including soft play areas) will be able to lawfully reopen from Tuesday 8 September throughout Greater Manchester – apart from Bolton, where these restrictions will remain in place. Socially distanced indoor performances will also be able to resume, and remaining restrictions on certain close contact services (treatments on the face, such as eyebrow threading or make-up application) will be lifted.

Cases remain at a high level across the borough so you are reminded to:

- Wear face coverings in shops and all public places, as much as possible
- Keep two metres apart at all times
- Avoid physical contact with anyone outside your own household, including shaking hands or hugging
- Get tested even if you don't have symptoms and isolate if you are told to do so
- Do not meet people from different households either indoors or in private gardens
- Do not share a vehicle with anyone outside your household
- Only visit venues such as bars, pubs, restaurants and places of worship with your own household or support bubble
- Do not visit friends or family in care homes, other than in exceptional circumstances

Regards
