

The Business Growth hub is launching the third of its **Innovate Manchester** online event series, an ambitious new programme designed to bring together large organisations, Greater Manchester SMEs, the public sector and academia to collaborate on innovative new ideas.

Webinar Theme: **Sustainable Cities and Infrastructure**
Webinar Date: **Weds 25th November 2020, 9.30am**

The webinar will focus on:

- Transportation and Future Mobility
- Urban planning and sustainable construction
- Green Energy
- Digital infrastructure and technology

Following the webinar, there will be a virtual Innovation Lab to bring together large organisations with a specific challenge and innovators (SMEs/academia) to shape solutions via a guided, design-thinking process.

This will take place over two mornings on 8th & 9th December..

More details on the event and how to register can be found [here](#):

Just a reminder that there are several webinars available to support you and your business with the changes you may need to make following the **end of the transition period**. More information about them can be found here: <https://www.gov.uk/guidance/help-and-support-if-your-business-trades-with-the-eu>

There is also a useful tool here: <https://www.gov.uk/transition> which asks a few questions and then tailors the response .

With many staff working from home or currently furloughed, **Hopwood Hall** have accessed funding to create a range of bite-sized **online training modules**, covering a range of topics. Click on the topics below for more details.
